Editorial Board

T. WILSON (*General Editor*) F. A. BURCHARDT
G. D. N. WORSWICK P. W. S. ANDREWS (*Secretary*)

THIS SERIAL PUBLICATION is intended primarily as a channel for the publication of articles by Oxford authors. Contributions from elsewhere will, however, be considered, and should be sent to the General Editor. While most of the articles will be concerned with Economics, the editors also hope to publish occasional articles on Economic History, Public Administration, and Scientific Method, provided these are likely to be of general interest to economists.
